	16	Michael Talkback					
Band Info							
Sal	Lead Vocal/Rhythm Guitar						
Jamie	Vocal/Lead Guitar						
Colin	Vocal/Keys						
Michael	Bass						
James	Drums						
Notes:							
We typically use our own X32 mixer (mainly for IEMs and multitracking) with analog XLR splits to run into the house board.							
All band members use personal IEMs so no need for stage monitors.							
When space allows we prefer drum kit stage left facing the band but it can be centered upstage facing audience if space is limited.
